## Chapter 7- Predicting

When you **predict**, you guess what is going to happen. You can use the clues from the story and information you already know to help you predict what might happen.

Read the first page of chapter 7 and stop! What do you think the mother polar bear will do to Jack and Annie? Write your prediction on the line below.

**I think the mother polar bear will...**

---

---

---

---

**Continue reading to see if your prediction was correct!**

Read the following and predict what you think will happen.

1. Alex and Kim had been friends since kindergarten. They went over to each other's houses every weekend and called each other on the phone each night during the week to discuss their day. When Kim's mom got sick, Kim needed a place to stay while her mom went to the doctor to get well.

Predict what you think will happen. \_\_\_\_\_

---

2. Jane had a beautiful dog named Holly. Holly had five puppies that looked just like her. Jane's friend, Fred, had been wanting a puppy for several years and his mom finally agreed to let him get one.

Predict what you think will happen. \_\_\_\_\_
