Reading the Temperature

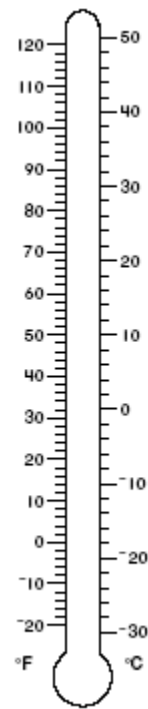

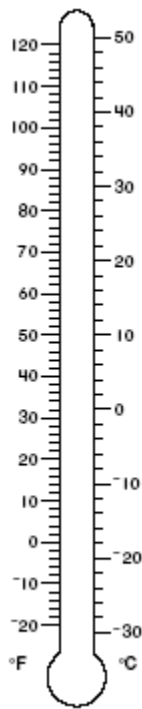

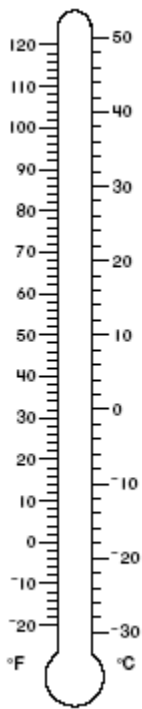

For each thermometer below, a temperature is given. Color in the thermometer to show the correct temperature, then write the equivalent temperature in Celsius. On the lines below the thermometers, describe an outfit that you might wear during each temperature.

1. $35^{\circ}\text{F} = \underline{\hspace{2cm}}^{\circ}\text{C}$

2. $72^{\circ}\text{F} = \underline{\hspace{2cm}}^{\circ}\text{C}$

3. $-5^{\circ}\text{F} = \underline{\hspace{2cm}}^{\circ}\text{C}$

Megan's Year: An Irish Traveler's Story

True or False

After reading *Megan's Year: An Irish Traveler's Story*, read the statements below. If the statement is true, write "T" on the line before the sentence. If the statement is false, write an F on the line and rewrite the sentence to make it true.

1. _____ Travelers never know where they are going to go next, so when they see other Travelers they are never sure if they can trust them or not.

2. _____ *Gammon* is the Travelers' secret language. Travelers never tell a non-Traveler what a Gammon word means.

3. _____ The Travelers sat around the campfire telling stories of the old days so that someone could record them and write them in a history book.

4. _____ The Flynns pay the children to pick raspberries.

5. _____ Megan's mom is happiest in the city, and her father likes the life of a Traveler the best.

6. _____ While in the city, Megan and her family live in a tigin. Although each tigin looks the same, everyone in her family has their own bedroom

Megan's Year: An Irish Traveler's Story
Math Word Problems

1. How many different outfits can Megan wear if she has one yellow shirt, one pink shirt, one green shirt, one pair of blue jeans, and one skirt? Draw each outfit combination in the space below.
2. Megan and the kids go fishing in the stream. Mr. Flynn lets them keep half of what they catch. The other half goes to him. Fill out the table below to find out how many fish Mr. Flynn got in total.

		Mr. Flynn
Megan	6	3
Maeve	4	
Mary	10	
Tim	8	
Jimmy	12	
TOTAL FISH:		

3. Mr. Flynn pays the kids to pick raspberries. He pays them \$1.50 per pound. If they pick four pounds all together, how much do they get paid?
4. If the school day at St. John's National School starts at 8:30 a.m. and ends at 3 p.m., how long is the school day?
5. In the summer, Megan spotted swallows flying in the sky above her. They were flying in groups of eight. There were six groups. Draw a picture to show what they may have looked like. How many swallows were there in all?

Megan's Year: An Irish Traveler's Story

 - True
 - False

Megan's Year: An Irish Traveler's Story

Letter to Megan

After reading *Megan's Year: An Irish Traveler's Story*, pretend that you met Megan during a winter in Dublin. Write a letter to her telling her about how your summer is going, and ask her at least three questions about her summer.

Megan's Year: An Irish Traveler's Story
Vocabulary

Draw a line from the word to the definition. Then, write two complete sentences using two of the vocabulary words.

- | | |
|------------|--|
| 1. buffers | a. the secret language used by Travelers, sometimes called <i>Shelta</i> |
| 2. caravan | b. the Irish police |
| 3. euro | c. outsiders (people with permanent homes) |
| 4. gammon | d. the currency of Ireland and of the countries in the European Union |
| 5. garda | e. dried-out peat sod used for fuel in fireplaces |
| 6. tigin | f. camper or trailer |
| 7. turf | g. the Irish word for a small hut or house |

8. _____

9. _____

Megan's Year: An Irish Traveler's Story
Four Season Story

Megan's life is different each season of the year. Choose your favorite season, then write a short story about what you do for fun during that season. When you have finished, color or highlight all of the nouns yellow, the verbs greens, and the adjectives blue. Share with a classmate, friend, or family member when you have finished.

Noun: A word used to identify a person, place, thing, or idea

Example: teacher, dog

Verb: A word used to describe an action

Example: jump, fly, smiled

Adjective: A word that describes a noun

Example: blue, happy, silly

Megan's Year: An Irish Traveler's Story

Fact or Opinion

After reading *Megan's Year: An Irish Traveler's Story*, tell which statements are fact and which statements are opinions. Indicate whether each statement is a fact or opinion by writing "fact" or "opinion" on the line next to each sentence.

A **fact** is something that can be proved true.

An **opinion** is someone's feelings about a particular topic.

1. _____ Summer is the best season of the year.
2. _____ Megan is ten years old.
3. _____ Fishing is fun.
4. _____ Tim and Jimmy are Megan's twin brothers.
5. _____ Everyone likes to use machines on their farm.
6. _____ Being a Traveler is the perfect lifestyle.
7. _____ In the winter, they travel to Dublin.
8. _____ Living in the city is easier than traveling.
9. _____ Megan and her sister share a bed in their tigin.
10. _____ Megan goes to St. John's National School.

Megan's Year: An Irish Traveler's Story

Personification

Personification is giving human traits (qualities, feeling, characteristics, actions) to nonliving things or animals, so that the reader can visualize the action or emotion. Pick one noun and one verb. Write them next to each other, and create a single personification sentence.

Example: stone listens The stone listens carefully to the grass as it grows around it

List A

River
Fish
Tigin
Flower
Rainbow
Raspberries
Caravan

List B

Takes
Guides
Remembers
Brings
Reminds
Teaches
Dances

For the first sentence, you must use one word from list A, and one word from list B. For the second and third sentences, you may choose your own nouns and verbs.

#1 List A Noun: _____ List B Verb: _____

Sentence: _____

#2 Noun: _____ Verb: _____

Sentence: _____

#3 Noun: _____ Verb: _____

Sentence: _____
