One Witch at a Time

BY

Stacy DeKeyser

Author of The Brixen Witch

*When magic crosses borders,
trouble swiftly follows.*

WHEN RUDI GOES TO MARKET without his father for the first time, he has an important task: to sell his family's cheese and butter. He never thought his pesky neighbor Susanna Louisa would sell his family's

cow to a foreign girl—for a handful of beans, no less! And she claims they're magic beans! If they are, it's a magic that doesn't belong in Brixen, and Rudi needs to get rid of those beans NOW.

With some coaching from the Brixen Witch, Rudi and Susanna Louisa set out to return the beans. Luckily, a shortcut appears: a beanstalk that leads them straight to the pretty foreign girl, Agatha, in the frozen village of Petz. She stole the beans from her witch, a terrible giant. Agatha is determined to defeat the giant, and Rudi wants to help her, but he has to save his own village first from the havoc wreaked by Petz magic in Brixen.

Author Stacy DeKeyser's first book about Rudi, *The Brixen Witch*, was a deft update on the Pied Piper's tale. Her imaginative twist on the classic Jack and the Beanstalk story in *One Witch at a Time* will delight readers in grades 3-7.

Praise for One Witch at a Time

"The characters are awfully likable, and this tale is set so believably in a traditional Alpine world that it's easy to go along with the make-believe. A satisfying, stand-alone sequel that will certainly send readers back to read *The Brixen Witch* (2012)." —*Kirkus Reviews*

"DeKeyser creates an interesting world where steadfast rules must be obeyed so as not to upset the precarious balance between the magical and the ordinary. A clever blend of folkloric elements with fast-paced action." —*School Library Journal*

ACTIVITIES

- ◆ Create an illustrated setting map that depicts the various settings described in the story. Reread parts of the story so that your illustrations are informed by the description in the text. Label each area on your map. Make sure that you include: Brixen, the Klausen marketplace, the Berg, the Brixen Witch’s cave, Petz, Agatha’s house, the Giant of Petz’s manor, and the two beanstalks. **CCSS.ELA-LITERACY.RL.3.1; CCSS.ELA-LITERACY.RL.4.1; CCSS.ELA-LITERACY.RL.5.1; CCSS.ELA-LITERACY.RL.6.1; CCSS.ELA-LITERACY.RL.7.1**
- ◆ Make a dialogue folder. Place an 8.5 x 11-inch piece of paper horizontally (landscape direction) and fold the two 8.5-inch length ends so they meet in the middle, creating two 2.75-inch “flaps.” On the outer side of one flap draw an illustration of Rudi’s grandmother, and on the outer side of the other flap draw an illustration of the Brixen Witch. Open the flaps and write descriptions of each character on the reverse sides of the illustrations. In the inner section of the folded paper, write a dialogue that you would imagine Rudi’s grandmother and the Brixen Witch might have about the situation affecting Brixen in this story. **CCSS.ELA-LITERACY.RL.3.3; CCSS.ELA-LITERACY.RL.4.3; CCSS.ELA-LITERACY.RL.5.3; CCSS.ELA-LITERACY.W.3.3.B; CCSS.ELA-LITERACY.W.4.3.B, CCSS.ELA-LITERACY.W.5.3.B; CCSS.ELA-LITERACY.W.6.3.B; CCSS.ELA-LITERACY.W.7.3.B**

Compare and Contrast

Rudi knows little about the land and people outside of Brixen, until he climbs the beanstalk and visits Petz. Rudi finds many differences and, surprisingly, some similarities between Petz and Brixen. Compare the land and people of Petz and Brixen using the Venn diagram below. Write the elements that the two places have in common in the area where the two circles overlap. Write the information that is unique about each place in the sections where the circles do not overlap.

about Rudi—
The Brixen Witch!

A MYSTERIOUS WITCH LIVES on the mountain above Brixen. Rudi's never seen her, and nothing much is ever said about her. It's bad luck to talk of such things.

One day Rudi finds a golden coin on the mountain. When he slips it into his pocket, the weather immediately turns icy. Fearing the witch, Rudi attempts to return the coin, but it gets buried in the blizzard. Rudi is plagued all winter by horrible dreams, and in the spring, rats overrun his village. Could this be the witch's revenge?

When a stranger arrives and promises to turn out the rats, the villagers rejoice. But what if his price is too terrible to bear? With a little help from his savvy grandmother and a feisty neighbor, Rudi sets out to match wits with a wily witch in this twisty tale full of magic.
