

The Allowance Game!

The Moneybunny siblings each get 20 carrots for their allowance.

Each item below has a carrot price.

Help them buy what they need for school.

Circle three items to buy.

What did you buy and why?

Counting carrots!

How many carrots can you count on this page?

Count along with Honey
by tapping each carrot as you go.

Counting carrots!

Can you add up each row of carrots?

$$+ + =$$

$$+ + + =$$

$$+ =$$

$$=$$

$$+ + + + =$$

Counting carrots!

Circle the more expensive thing

How many more carrots does it cost?

Counting carrots!

How many carrots
are in each row?
Count them by
tapping each carrot
in each row
and see if
you get
the same
answer!
