# Almost Always Best, Best Friends

## ACTIVITY BOOKLET

Welcome to your very own BOOKMARK BUSINESS! Poppy and Clementine have so much fun crafting and giving out bookmarks, they wanted to share the fun with you!

#### What supplies do I need?

Pick some sturdy paper (like card stock or watercolor paper). Grab scissors, pens, colored pencils, glitter glue, and anything you'd like to use on a bookmark! Remember, they need to fit in between book pages, so don't make them too bulky. To make them extra special, you can add tassels, yarn, or ribbon.

#### What if I don't like drawing?

NO PROBLEM! You can decorate bookmarks with stickers, ribbon, even scraps of fabric! Use the order form, a business badge, and a business card for your new business on the next two pages. Here are some ideas how to use them:
