## About the Author

**Liz Kessler** is the author of the best-selling Emily Windsnap series, the Philippa Fisher series, the novels *North of Nowhere*, *A Year Without Autumn*, and *Has Anyone Seen Jessica Jenkins?* as well as a series of early readers about Poppy the Pirate Dog. Liz Kessler lives with her partner in England.

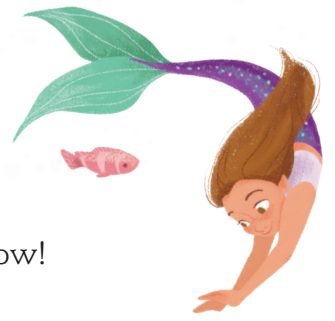

## About the Illustrator

**Joanie Stone** spends her days painting in her studio, surrounded by nature. She uses her background in traditional hand-drawn animation to bring life and movement to her characters, and her images incorporate textures reminiscent of children's books from the past. She hopes her illustrations will inspire kids to create their own worlds through stories and art. She was born and raised in Virginia, where she lives with her husband and young daughter.

## How to Play

1. Pick a letter from the alphabet at random.
2. Set a timer for two minutes. In those two minutes, try to think of a word in each category that starts with your chosen letter. Write down the word next to the category on your paper.
3. When the timer beeps, players take turns reading the words they chose.  
Cross off any words that other players used, too.
4. Players get one point for each word that no one else had, and the player with the most points wins. You can play multiple rounds by choosing different letters to brainstorm!
